RAILWAY AGENT REPORTED SHORT AT HEBRON, O.

ALLEGED THAT EDWARD BROWN IS INDEBTED TO T. & O. C. IN SUM OF \$1108.

HIS HEARING NEXT SATURDAY

Reported That Brown Confessed to Official—Reported Freight Bills as Uncollected.

Edward Brown, Toledo and Ohio Central station agent at Hebron, is under arrest accused of a shortage in his accounts amounting to \$1108.64. It is alleged that Brown has confessed to Superintendent Speaks and that he has admitted that the shortage has been accumulating for a year, notwithstanding that the traveling auditor visited Hebron and checked up Brown's accounts last spring and also about Thanksgiving day.

Brown was arrested Saturday evening upon a warrant sworn out by a railway official before Justice of the Peace George Turner. Though bail was fixed at \$500, Brown was unable to secure his release and was confined in the village prison Saturday night. Brown was brought to the Newark jail Monday afternoon. He will remain here until the time for his hearing next Saturday, December 22, before Judge Turner at Hebron.

It is alleged that Brown succeeded in getting ahead of the railway company by collecting freight bills and reporting them to the company as unpaid. In that way he was able to keep up the deception so long as the freight business was increasing, as he paid the bills longest outstanding, but as the Christmas season approached and there was a gradual falling off in receipts he was unable to continue the practice.

Brown is said to have appealed to various friends in Hebron for assistance, but his efforts were in vain, when the amount of the alleged shortage was announced.

The accused agent is a widower whose wife died about a year ago. He has no children. Brown came to Hebron from Chaucery, Ohio, about three years ago. It is alleged that wine and women are the cause of Brown's trouble.

FLYER HITS FREIGHT TRAINMEN CRUSHED

Canton, O., Dec. 17.—Owing to the fact that the "Flyer" on the Pennsylvania was running at a low rate of speed, though late, scores of lives were saved Sunday night. The Pennsylvania train crashed into Wheeling & Lake Erie freight train No. 192, which was standing on the crossing, the "Flyer's" engine striking the Wheeling & Lake Erie engine. John Ray of Massillon, engineer on the Wheeling & Lake Erie was fatally injured and Fireman George Nichols of Massillon was killed. Brakeman Johnson of the same crew was also badly hurt. Luckily none of the passengers was hurt, although the mail car and smoker were partly damaged. The injured were taken to the hospital. The Wheeling & Lake Erie claimed the engineer of the "Flyer" failed to observe signals. The Wheeling & Lake Erie train had just pulled in from its run.

INSURANCE ELECTIONS

New York, Dec. 17.—The long and hard-fought campaign for control of the hundreds of millions of dollars in assets held by the great life insurance companies of New York state will come to an end, for the time being at least, with the election of officers on Dec. 18. Against the so-called administration tickets, made up of the present officers of the companies, complete tickets named by policy-holders' organizations have been placed, and every person holding a policy in any of the companies will be permitted to register his choice, either personally or by proxy, when the balloting begins Tuesday. Elaborate arrangements for the elections have been made by the leaders of the various interests.

FIFTEEN BELOW ZERO.

Fargo, N. D., Dec. 17.—The temperature took a sudden fall last night and was 15 below zero this morning. The weather is bright and clear and no wind to drift the snow. All trains are running.

Three men were found dead, caused by asphyxiation, in the Amsterdam hotel in Hoboken, N. J. They were Jacobus Florian, 35; his brother John, 30, and John Solthommet, 35.

HELD IN CHECK BY SOLDIERS

Anti-Clerical Demonstration Held in the Streets of Rome.

LAUD FRENCH GOVERNMENT

First Sunday Under the New Law Quiet in Paris, but Slight Disorders Occurred in the Provinces—Vatican Issues a Statement on the Situation. Spanish Ambassador in Trouble.

Rome, Dec. 17.—Thousands of demonstrators friendly to France and of anti-vatican tendencies gathered in the piazza adjoining the Farnese palace, the seat of the French embassy, in an endeavor to express their pleasure at France's action toward the church. The whole garrison of Rome was employed to face the demonstrators and protect the vatican, which was surrounded by cavalry, and the bridges leading to the apostolic palace were barred by troops. All streets leading to the Farnese palace were protected by soldiers with fixed bayonets. The demonstrators, led by a dozen radical Socialists and Republican members of the chamber of deputies, including Prince Borghese, after vainly attempting to break the cordon provided themselves with candles and formed into a mock procession, intoning the Miserere as an indication of the death of clericalism amidst cries of "Long live France," "Long live Clemenceau" and "Down with the vatican." Deputies Costa and Defelice tried to harangue the people, but the police interfered. A commission of the demonstrators was received by M. Barrere, French ambassador, who expressed his appreciation for the sympathy of the Roman people.

According to reports in circulation here the Spanish government has signified its displeasure to Marquis Ojeda, the Spanish ambassador accredited to the vatican, for his action in communicating with the Spanish ambassador at Paris concerning the archives in the nunciature there, which is considered as compromising the neutrality that Madrid desires to maintain in the conflict between France and the vatican. It is expected here that Marquis Ojeda will be recalled.

Paris Quiet; Provinces Excited.

Paris, Dec. 17.—The serious disturbances that it was believed would ensue on the first Sunday under the law separating church and state, were not realized. The services in this city in particular passed off quietly. There was a notable increase in the size of the congregations, and in them were large bodies of men who were determined forcibly to prevent the interruption of masses by rowdies. There were only a few cases where rowdies entered the churches wearing their hats, and they were promptly ejected and arrested. Reports from the provinces show that there was great excitement at many places. Large processions chanting psalms accompanied the clergy to and from the churches. Counter demonstrations took place in several cities, notably Perpignan and Amiens, where the Catholics and free-thinkers came into collision, necessitating interference by the police, who quickly dispersed the crowds.

Vatican's Statement.

Rome, Dec. 17.—A communication issued at the vatican reiterates the previous statement given out there, that the object of the search of the archives of the nunciature at Paris after the expulsion of Mgr. Montagnini was to diffuse false news in order to make the public believe that in the papers taken were "low insinuations of a money bargain for the appointment of bishops, gambling on the stock exchange, etc." The communication repeats the vatican's original denunciation of the tactics employed in securing the papers.

STATE NEWS

Screen Ordinance Stands.

Xenia, O., Dec. 17.—Although the city was voted wet by an overwhelming majority last fall, the temperance element showed its strength when the city council by a unanimous vote refused to repeal the anti-screen ordinance. This ordinance was passed several years ago before the city was voted dry for the first time, and its provisions forbid the use of a screen by a saloon at any hour of the day or night. Since the reopening of the saloons its effect is being keenly felt in a decrease of patronage.

Located Through Letter.

Marion, O., Dec. 17.—After long weeks spent in watching for some indication of the whereabouts of George Clark, who escaped from the jail at Canton last July, detectives finally managed to land their quarry here by means of a letter sent to his sweet-

heart by the fugitive. The mails have been watched continually, but either he was afraid to write or the letters were cleverly sent in a round-about manner, for the first letter to be discovered was that leading to his arrest.

Shot a Detective.

Columbus, O., Dec. 17.—In a desperate fight with an alleged car burglar at a freight house, Detective Edward Dorgan, 44, was shot in the throat and he is in a serious condition. The shooting was done by Isaac Buckingham, 24, a railroad brakeman, who was captured by Dorgan despite the fact that he had been wounded. The injured officer bear his prisoner into submission and it was necessary to take the latter to the hospital and put 15 stitches in his head.

Merger of Medical Colleges.

Columbus, O., Dec. 17.—There is reason to believe that in the near future the long-talked-of amalgamation of Starling Medical college and Ohio Medical university will be effected, to be followed eventually by a general merger with Ohio State university. The plan has been to amalgamate the three, but it is found to be impracticable to effect this at once. The medical colleges will first be merged, to be followed by a general union afterward.

Longworths In Accident.

Washington, Dec. 17.—Representative and Mrs. Longworth were occupants of an automobile which crashed into the station platform at Chevy Chase, a suburb. Beyond a severe shaking up the occupants were uninjured. The machine was slightly damaged.

Penitentiary Inquest.

Columbus, O., Dec. 17.—A complete investigation of the penitentiary will likely be ordered by Governor Harris. Institution Examiner F. C. Rochester will go to the penitentiary at the request of the governor. He is to find out the information concerning the conduct of the restaurant, which was omitted in the report filed with executive by the board of managers of the penitentiary. It is intimated that the governor's representative will spend more time on the books of the penitentiary than he did on the books at Athens. In addition to the restaurant, the governor has received complaints through official channels that the contract labor laws are being violated.

Blues Carry Off Honors.

Chicago, Dec. 17.—Cleveland carried off the American league honors in fielding as well as in batting, and ranked the highest as a team, its average being .966; Chicago was second with an average of .963; Boston was last with an average of .948.

MRS. ANNA M. BRADLEY

Washington, Dec. 17.—Pleading love letters found in the room of ex-Senator Arthur Brown of Utah, in the Hotel Raleigh, show that Mrs. Anna M. Bradley for ten days before she shot him was urging him to wed her and legitimize their children.

Every day she wrote a letter to the former Senator and the burden of every one of the missives was the same. "Don't set me aside for another," she wrote. "You have my heart and I have your sacred word."

In several of the letters Mrs. Bradley makes reference to Brown's acquaintance with "that actress," and speaks of his intending visit to "that woman in New York."

CARDINAL LEAVES ARCHBISHOPRIC THIS AFTERNOON

CROWD OF ARDENT CATHOLICS FOLLOWED CHANTING PRAYER.

FRENCH TROOPS CALLED OUT

Rome Still in Throes of Anti-Clerical Outbreak—Demonstration Before the Vatican.

Paris, Dec. 17.—Cardinal Richard, archbishop of Paris, left the archbishopric this afternoon, following a summons of the government to vacate. Owing to his illness and advanced age, he had to be assisted to his carriage, which was waiting to convey him to the home of Mr. Denys Cochin, where he will reside temporarily. A crowd of 3,000 ardent Catholics followed the cardinal on his drive, chanting a prayer and crying for liberty. Troops have been called out to prevent trouble, but none occurred.

Rome, Dec. 17.—Rome today is still in the throes of the anti-clerical outbreak which culminated last night in anti-church demonstrations before the Vatican. Troops still surround the Vatican which they were forced to defend with bayonets last night. A guard is also maintained before the French embassy. Fierce expressions of sympathy of the Italians with the French government has greatly affected Plus. The demonstration against the church and him has been a hard blow added to the worries over the situation in France. The agitation has not died out and there is danger of another outbreak tonight. It will probably be days before the troops are withdrawn.

Paris, Dec. 17.—With the passing of a quiet day yesterday in the church dispute, which has torn France, hopes are now entertained for general peace and a satisfactory solution of the church separation problem is near. The government has some new proposals to make before the Chamber of deputies and fresh concessions are being kept in secret. It was officially announced that the elections to the German Reichstag will occur January 25.

ARTILLERY IN BAD SHAPE

Coast and Field Deficient in Both Personnel and Material.

LEGISLATION STOUTLY URGED

Brigadier General Murray Points Out Defects in His Arm of the Military Service and Makes Recommendations—Forecast of the Week in the Senate and House.

Washington, Dec. 17.—Unless the senate should change the program adopted by the house, which is not probable, both houses of congress will adjourn Thursday next for the Christmas holidays. A meeting of senate committee on appropriations was called for today, and there is little doubt but that the resolution will be reported back and acted upon by the senate. The house resolution calls for the reconvening of the two bodies Thursday, Jan. 3. There is some disposition in the senate to extend the time until the following Monday.

The urgent deficiency appropriation bill, which passed the house Saturday, is expected to receive the sanction of the senate before the holiday adjournment. There is also a possibility of speeches by Senators Kittredge and Gearing on their respective resolutions providing for an investigation of the lumber trust and an inquiry into the Japanese situation; but while it is known that both senators are preparing to discuss their resolutions, it seems quite probable that they will postpone their remarks until after the holidays. Indeed, there is a general disposition in the senate to defer any further consideration of important questions until January. The Smoot question, the negro troops question and all other general legislation, with the exceptions noted, will be thus postponed.

In the house Monday was devoted to the consideration of bills under an order providing for the suspension of the rules, and the rest of the week will be given to legislation pertaining to the District of Columbia and to the bill making appropriations for the conduct of Indian affairs. There are 20 or 30 bills on the District calendar which Mr. Babcock, chairman of the District committee, is very anxious to have passed, and the committee on rules has promised him sufficient time for their consideration. There will also be a strenuous effort to secure action on the Indian appropriation bill, and Chairman Sherman of the Indian committee is very hopeful of success in that direction. If there should be time left the omnibus claims bill will be taken up.

Artillery Deficient.

"Both coast and field artillery are deficient in both personnel and material; neither is in even approximately proper condition for instruction in time of peace, much less in condition for reasonably efficient service in war, and the time necessary to put either in the latter condition is not a matter of days or weeks, but of years." Brigadier General Arthur Murray, chief of artillery, thus sums up the condition of his arm of the service in his annual report, and in which he says it cannot be too strongly urged that appropriate legislation be obtained to make good the deficiencies and to correct the defects referred to.

The total cost of the present system of coast defense of the United States to Feb. 27 last, General Murray says, was \$72,750,873, and the estimated cost to complete the defense of the United States, including estimates for ammunition and cost of sites, is \$50,579,339. The deduction is made that considerably more than half the work of coast defense has been completed. "The three elements of defense most needed, and which will secure the greatest measure of public safety at least cost, General Murray says, are the completion of the installation of the approved system of range and position finding for all guns and mortars mounted; the providing of necessary searchlights for harbor defense at night, and the completion of the submarine mines equipment of all fortified harbors. The proper defense of insular ports and the entrances to the Panama canal, it is estimated, will cost \$19,872,925 in the case of the former and \$4,927,652 for the latter. The value of submarine mines as an element of harbor defense, General Murray says, has been demonstrated, and he maintains the view that the system adopted by the United States army is practically perfect as a war weapon. Being under complete electrical control from the shore, he says, a line of mines may be rendered instantly destructive to an enemy or harmless to passing friendly vessels. Therefore, he adds, having so many guns and mortars already mounted in the United States, it is believed that the greatest amount of harbor defense at the least cost can be procured by the completion of the mine defense of all fortified harbors of the United States.

REWARD IS WITHDRAWN IN GILMAN CASE

EXHAUSTIVE EXAMINATION OF MRS. GILMAN MADE AT THE COUNTY JAIL.

MINISTER IS NOT ADMITTED

Doctor Refused to Permit Murdered Girl's Mother to go Into Court on Monday.

Dayton, O., Dec. 17.—Dr. A. L. Light, jail physician, completed an exhaustive examination of Mrs. Gilman at the Montgomery county jail at 10 o'clock today in the presence of Collins and Fayne Gilman, Sheriff Wright and Attorney Eliff. He made a statement of Mrs. Gilman's condition. She is suffering primarily from nephritis, which has caused a dropsical condition. Her lips are distended by dropsical fluid. Her heart action is fair, but irregular at times. Her pulse is strong.

Following the examination Dr. Light refused to permit Mrs. Gilman to be removed to Magistrate Wagner's court for a preliminary hearing. A legal question arises whether Collins and Fayne Gilman can be tried as accessories to the murder of their sister when no arraignment of the principal has occurred. Attorney Malters, who defended Dr. Haugh for the murder of his parents, has been engaged to assist Attorney Eliff in the defense of the Gilman family.

Sheriff Wright refused this morning to permit Rev. A. R. Seafirt, the Gilman family pastor, to see Mrs. Gilman, although the minister had come from Germantown to comfort her.

"This is a terrible action. Mrs. Gilman is a good Christian woman," said Dr. Seafirt, but the sheriff was inexorable.

GILMAN REWARD WITHDRAWN.

Dayton, O., Dec. 17.—The county commissioners today withdrew the reward of \$2,000 offered for the apprehension and conviction of the murderer of Dona Gilman. The Men's Welfare league of the National Cash Register Company, which subscribed \$2,500 as a reward, will also withdraw this amount today. This remarkable action was taken by the commissioners because of the feeling in the minds of well posted officials and business men that the trend the case is now taking bears unparalleled features of distortion of truth and of cruelty. The withdrawal of the big reward and the reason for the action constitutes one of the most startling features of the case. The present grand jury will take up the Gilman case within a few days.

Dayton, O., Dec. 17.—The beginning of the end is in sight in the Dona Gilman murder case. A person now believed to be guilty will soon be called upon to answer. Three days is the grace asked by those on the inside of what is being done and the revelations in store. The removal of the mother from the hospital to the jail and the allegations by two reputable physicians that she was not manifesting a single symptom of disease was the day's cardinal development. This was done despite Mrs. Gilman's physician, Dr. Coughler, who persists that she is in a critical condition.

PANAMA MESSAGE

President Roosevelt Tells of His Experiences on Isthmus and Gives His Views.

Washington, Dec. 17.—President Roosevelt this afternoon sent to Congress his Panama canal message. The President visited the isthmus in November and in introducing the message he recited his experiences at Colon, Panama and other points. Mr. Roosevelt referred to the work already done and in progress, to the Colon water supply, 50 cent meals, schools on the isthmus, alien enemy quarters for negro laborers, a law improvements and for honest government of the work. "Of the success of the canal," says the President, "I am as well convinced as one can be of any enterprise that is human. It is a stupendous work, and while we should hold them to strict accountability for the way in which they perform it, we should yet recognize with frank generosity the efforts of the task, and its world wide importance. They are doing something which will redound immeasurably to the credit of America which will benefit all the world, and which will last for ages."

(Six columns of the President's Panama message crowded out of today's issue, will be published Tuesday.)

BIG AMOUNT INVOLVED.

Pittsburg, Dec. 17.—Discrepancies
amounting to \$250,000 in reports
made to the comptroller of the cur-
rency are alleged by Bank Examiner
Cunningham in information against
Cashier Rinehart of the Farmers'
and Drivers' bank of Waynesburg.
Rinehart today gave \$10,000 bail.
Probably the most significant item in
Cunningham's report is that which
charges Rinehart with reporting but
\$80,000 as the amount of notes and
bills re-discounted. In truth, says
Cunningham, the amount is \$250,000.
This apparent discrepancy of over a
half million on notes is said to be
the result of using paper of politi-
cians.

to the police station for medical attention George Foller, a prominent saloonkeeper of the city, asked for aid and dressing for what may be a fatal wound in the abdominal cavity.

The police believe that the two circumstances may lead to the unearthing of a well-laid plot to "do" Anthony for his alleged treacherous conduct in tipping off a crap game some days ago, in which thirteen men were arrested. He was warned to be careful Saturday night in going home, and was attacked, notwithstanding precautions. Foller is one of five brothers, another of whom had a fight with Anthony two nights ago.

OLD "BOBBY" BUILDING BURNED EARLY SUNDAY MORNING, LOSS \$4000.

Family of John Warner Lost Everything Including Wearing Apparel—Origin Unknown.

Croton, O., Dec. 17.—About one o'clock Sunday morning Croton citizens were aroused by the ringing of the fire alarm. Soon a number were directed to the southwest corner of the public square, where stood a two story frame structure, 30x50, owned by J. H. Warner, better known as the Bobby building, which on the inside was a mass of flames, that were just beginning to burst through to the open at several points.

Twenty-five feet south of this building stands the residence of E. W. Sturdevant with a continuous row of residences to the T. & O. C. depot. Just across the narrow street to the east is the residence of Mrs. Dr. G. M. Lyman and likewise all the rest of the buildings around

Second Rush Barker Injured by Falling on Nail in the Floor—Utica Here Next Saturday.

Utica defeated Newark in a rough game of polo at Utica Saturday night, the score being 8 to 4. Barker was injured by falling on a nail. The Utica rink was in terrible shape for a polo game, and the Newark players being on a strange floor were in constant danger of being injured. When Barker fell on the nail, a rush six inches long was cut in his thigh. He pluckily continued in the game, however. Score, lineup and summary: Utica (8): P. Seelbach, first rush; L. Seelbach, second rush; Harter, center; Pierce, halfback; Weed, goal. Newark (4): Heath, first rush; Barker, second rush; Smart, center; Lake, halfback; Sweetzer, goal.

Summary: Rushes, Heath 3, Barker 1, P. Seelbach 2, L. Seelbach 5, Shaw, (accidental goal) 1. Fouls, Barker 1, Pierce 1, Stops, Sweetzer 27, Weed 16. J. Montross, referee. Answer of Northwest Cigar Co.

In the case of J. Harry Marple vs. The Northwest Cigar Manufacturing Company, the defendant has filed its answer. It says that it is not true that it was notified of the withdrawal of J. Harry Marple from the partnership of the Challenge Cigar Co., but when the goods were sold defendants supposed that Marple was still a member of the firm. That it is not true that Marple was not served with summons in the suit, and did not know that the same had been commenced, or was pending before the justice of the peace, and did not know that a judgment had been rendered.

On the contrary defendant says that Marple was served with summons of the pendency of the suit. Defendant denies that at the time the suit was commenced before Squire Nash that Marple was not indebted to the company.

Defendant asks that the injunction upon the hearing may be dissolved, the case dismissed, and the defendant restored to all its rights that it may have lost by reason of this action.
